### Current Living Conditions

**CRITICAL**

The **Alcala** Family is excited to soon receive a new home. Amantina is a single mother of 3 children. Juan, the youngest of the children, is very playful and loves to ride his bike. A new home to the Alcala family means they will no longer have to worry when it rains and their house will be a safe and loving place they can call home.

Current house – March 2015

The roof in very bad conditions – March 2015
